THIS Medicine restrains in a most surprising Manner, all internal as well as external Hemorrhages, i. e. it infallibly and quickly stops all dangerous Bleedings at the Nose or Gums, splitting or vomiting Blood; also the immoderate Flux of the Hemorrhoids or Menes; bloody Urine or Stools, bleeding of large Wounds, &c. (if used according to the plain Directions given with it) as will appear by the Certificates of several Eminent Physicians, and in the large Account of this Medicine, written by the Doctor himself, and dedicated to the College of Physicians, a little before his Death.

It keeps good for many Years, at Sea or on Shoar, at Home or Abroad, i. e. in all Climates, therefore must be universally Useful.

The Doctor not only obtained his Majesty's Letters Patent for the sole Vending of this most Excellent Medicine; but also a Clause in a late Act of Parliament, exempting this Medicine from the Inspection of the Censors of the College of Physicians, to which all other Medicines are liable.

THE very first Dose of it gives perfect Ease in a Moment, even in the most racking Fit of either Stone or GRAVEL, and at once entirely frees the Patient from the STRANGURY, and all Heat, Pain and Stoppage of Urine; it dilates the Ureters, makes them slippery, thins the Crumbings of large Stones, together with Sand and Gravel, may pass freely from the Reins, and be voided visibly with Urine without Pain; effectually cleanses the Kidneys, Bladder, and all Urinary Passages from gritty calculeous Matter; heals all internal Excoriations or Soreness of the Parts, directly takes off all Pain in the Back, and those Pains so much like the Cholick, and may be depended upon to dissolve large Stones, so as infallibly to cure that most miserable Distemper.

It gives such sudden and unspeakable Relief, that whoever takes but one Dose of it, will be thoroughly convinced of its surprising Efficacy, which many Hundreds have happily experienced to their infinite Satisfaction.
